## Product Information

The BSL-P8002M-1L Solar Shed Light is the 3rd generation of this series of lights.

This updated version features a waterproof solar panel and a revised light design updated to feature 12 Super-Bright LEDs and a silver-gilt reflecting plate, improving overall brightness.

The BSL-P8002M-1L is supplied with a lithium 700mAh rechargeable battery and automatically protects the battery from overcharging. Supplied with all mounting hardware and wires, the BSL-P8002M-1L is simple to install. The BSL-P8002M-1L is ideal for use in barns, sheds, garages, gazebos, greenhouse or any other remote structure.
